

Synergy between AI, Blockchain, and the Internet of Things for Data- Driven Solutions

Dear Authors,

We are delighted to inform you that your book chapter titled "**Educational Technology and Its Transformations: Utilizing Modern Technologies in Early Childhood Education**" has been accepted for publication in our upcoming book series "**Synergy between AI, Blockchain, and the Internet of Things for Data-Driven Solutions**" published by River Publishers and indexed in Scopus.

The next step involves submitting your book chapter to the publisher for the final round of review, along with editing and the publishing process. Rest assured, we will keep you promptly informed regarding any updates or feedback we receive from the publisher.

Should you have any questions or require further information, please do not hesitate to contact us. We appreciate your valuable contribution to this book series and are eager to share your insights with our audience.

Warm regards,

Lead Editors
