Muhannad Al-Jabi
Personal Profile

Curriculum vitae

Personal details	
Surname	Al-Jabi
Forename	Muhannad
Address	An-Najah National University Computer Engineering Department Nablus Palestine
Email address	mjabi@najah.edu
Contact phone number	Upon request

Personal Profile
I am highly positive, motivated and collaborative person always looking for new improving ideas and new technologies. As well, highly adaptive and skilled hard worker.

Education and training

Education and training Title	M.Sc in computer engineering	
Description	Master in computer engineering with thesis in Fault Tolerant Mobile Computing	
Dates	From:2003	To:2005
Organization	Jordan University of Science and technology	
Date of Qualification	June -2005	

Education and training Title	B.Sc in electrical engineering	
Dates	From:1996	To:2001
Organization	Birzeit University	
Date of Qualification	June-2001	

Employment history and work experience

Employment history and work experience		
Dates	From:1/9/2005	To: present
Organization	An-Najah National University Computer engineering department	
Job title	Instructor	
Main responsibilities	Teaching different courses, C++, Java, object oriented, Database, Data Structure, Numerical methods, digital design as well supervision on graduation projects.	

Employment history and work experience		
Dates	From:1/5/2015	To:1/10/2016
Organization	AxxonSoft www.axxonsoft.com	
Job title	Business Development manager	
Main responsibilities	Creating business leads, follow up projects implementations	

Employment history and work experience		
Dates	From:1/8/2014	To:1/10/2016
Organization	Fratello Software House www.fratellosoftwarehouse.com	
Job title	Executive Director	
Main responsibilities	Creating business in the fields of safe smart city, cyber security, digital forensic and IoT in palestine as well supporting Fratello Holding in their projects in the MENA region.	

Employment history and work experience		
Dates	From:1/5/2013	To: present
Organization	Code Sky Technology www.codeskytech.com	
Job title	Founder/ Managing director	
Main responsibilities	Providing the market with technical research and development in the fields of smart surveillance, adaptive cyber defense, Big Data, IoT and business analysis by using the cutting edge technologies.	

Employment history and work experience		
Dates	From:1/5/2011	To:1/4/2013
Organization	PITS http://pits-track.com/index.php?l=en	
Job title	Research team leader	
Main responsibilities	Design and implement different systems in fleet management and geospatial analysis and notification.	

Professional achievements	
Professional achievement Title	FireEye Certified Engineer
Professional achievement Title	Nuix sales professional
Professional achievement Title	Android ATS certified engineer

Publications
1) Toward Inference Based Distributed Processing, Analytical Modelling and Performance Evaluation. An - Najah Univ. J. Res. (N. Sc.), 32-1,2018.   **2)** Toward an IoT-Enabled Adaptive Interactive Bus Transportation system, 2nd International Conference on the Applications of Information Technology in Developing Renewable Energy Processes & Systems (IT-DREPS), 2017.   **3)** IoT-enabled citizen attractive waste management system, 2017 2nd International Conference on the Applications of Information Technology in Developing Renewable Energy Processes & Systems (IT-DREPS),2017.

Presentations	
Presentation Title	Digital Investigation using Nuix Presentation in a conference
Description	During a conference held by ISS World Training in Dubai, March-2016 about Law enforcement and Bit-Coins

Presentation Title	Safe Smart City Presentation in a conference
Description	During the Expotech conference, Palestine technology week, November 2014

Taught courses in Najah National University
C++, Java, Object oriented, Data structures, Database, Numerical methods,Digital design.

Technical Training in Falcon I, Dubai, summer 2015,2016		
Course name	Number of students	Number of times I taught
IoT	10	2
Mobile Application Development	10	6
Cyber Security	8	2
Big Data	8	3
Smart Surveillance	10	7
Digital Forensics	7	2
To be noted that some of these courses I thought it Palestine as well		

Referees	
Referee 1 Title	Prof
Name	Sameer Bataineh
Address	P.O.Box: 3030. Department of Computer Engineering Jordan University of Science and Technology Irbid 22110,Jordan
Relationship	Supervisor on my master thesis.
Job title	Dean for the faculty of higher education.
Email	**samir**@just.edu.jo; samir@fbsu.edu.sa
Referee 2 Title	Dr
Name	Sufyan Samara
Address	Department of computer engineering An-Najah National University Nablus, Palestine
Relationship	Head of computer engineering department
Job title	Head of computer engineering department
Email	sufyan_sa@najah.edu
