**Dear Sir,**

**I would like to convey my thanks for granting me the opportunity to submit this application for the post of Architect Engineer or any alternative position in your esteemed organization.**

**As a brief description about myself, I am Palestine national. I have completed my basic education in Nablus. I hold a Bachelor in Architecture Engineering from October 6 University (Cairo, Egypt).I am a hard working person with skills; I have worked closely in Design and Supervision over the last few years and believe I have a good experience of the job.**

**Since resumes can only communicate a partial picture of one's experiences and abilities, I hope to have the opportunity to meet with you in the near future to prove my diligence.**

**Best Regards,**  
**Mohammad Assi**
