**Objective:**

I am a result-driven and passionate English instructor who is willing to go above and beyond for students, from beginners to advanced English learners, I make sure to give them the maximum effort and support to achieve the improvements that we both are striving to see in the language and its skills. Moreover, seeking for bigger challenge in my life as experienced and enthusiastic teacher with passion of teaching and inspiring others with a demonstrated history of 12 years working experience in two universities. Skilled in teaching English as second language, English as a foreign language, tutoring for all school grades. Strong education with master degree in TEFL, to obtain a position where I can utilize my knowledge and experience to foster engaging learning environment that encourages students to reach their potential is my long-term target.

**Education:**

- |           |  |
